Needles

Circular needle in size needed to obtain gauge, 60cm / 24" and 80cm / 32" in length.

Preferred needles for small circumference knitting (circular or DPN) in size needed to obtain gauge.

Sample was knit on 3.5mm / US 4 needles.

Crochet hook 3.5mm / US 4

Notions

1 unique stitch marker for BOR
Stitch markers for chart patterns (optional) and side marker

Waste yarn to hold sleeve stitches

Darning needle

Blocking mat and pins (optional)

Gauge

23 sts and 34 rnds per 10cm / 4", worked in the round in garter stitch, after blocking

Changes in gauge will result in size differences and affect the amount of yarn needed to complete the project. Please take the time to check your gauge.

Techniques used

- Long-tail cast-on
- Lace knitting in the round
- Increasing and decreasing
- Crochet bind-off

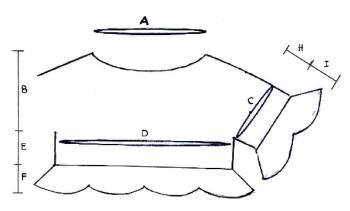

Abbreviations and Symbols

Please see page 8

Construction

The sweater is knitted from top to bottom, with a round yoke shaping. After the yoke, the sleeves will be divided from the body and the stitches for them are put on hold. The body is knitted first, in the round in a lace pattern. It ends with a lace hem and is bound off with crochet. Then the stitches of the sleeves are worked in a similar way as the body. The sleeves end with a cuff that matches the hem. Body and sleeve lengths are customizable, just work more or fewer rounds where indicated.

Sizing and schematic

All measurements in the table are the dimensions of the finished garment. The Sweater is meant to be worn with positive ease in the bust.

Choose a size approx 3.5-10 cm / 1.5-4" larger than your actual bust circumference, depending on the wished positive ease.

For simpler display, schematic shows one sleeve only.

Binding off in crochet

Please see instructions and explanation on next page.

Binding of in crochet as follows:

Always join 3 stitches from the sweater with a single crochet stitch and work the number of chain stitches as indicated in Chart 3 in between.

Exception: start the round with 2 sts from the sweater joined together and end the round with 4 sts joined together. Break yarn, leaving a tail approx. 20cm / 8" in length for weaving in.

Sleeves

Both sleeves are worked the same way in lace pattern to the cuff. The cuff is worked in the same lace pattern as body hem. Please see correct number of stitches for your size in table below.

Place the held sts of each sleeve onto your preferred needles for small circumference knitting. Join yarn at the start of the underarm, place BOR in the center of the underarm sts and start working in the round. First work Rd 22 of Chart 1 (k all sts) after work as per Chart 2.
